

# Wedding Offer - Play me a violin!

*Looking for something different, classic yet modern, magical and inspiring, rather than a standard cheesy sound? The Viktor's Violin is just right for your big day!*

Moving between the precise expression, characteristic for classical music, and the playfulness and charisma, typical for the pop performance, the violin player Viktor Angelov is a name that you would like to hear on your event.

With 11 million views on different social networks, and a notable performance on the world-famous

festival of electronic music “Electric Love” in Salzburg, 21 international prize winner, studied at the famous [Mozarteum in Salzburg](#), combining with the extraordinary performance of “Despacito” claimed as the best cover from the singer itself, Viktor has already proven that the limits of the violin, as a generally classical instrument, could be pushed away on account of creativity and inventiveness.

Best of all, you are speaking directly to the musician, who go above and beyond to provide a unique experience tailored to you and your guests personal tastes.

With regular showcase [performances](#) you [can see](#) and hear him [live](#) before booking, then pick and choose the size and configuration of your dream sound for you event. As full-time professional musician, he focuses on pop music, trying to experiment and incorporate his virtuosity and impressive technique in this music genre. You shall be amazed how this sounds!

Hope to see you choose this experience and the vibe, the energy and speak to us about how we can make your big day absolutely sensational!!
