IL BORRO PRIVATE EVENTS & WEDDING EXPERIENCE

Il Borro Relais et Châteaux ***** is a perfect location for celebrating your Event. The Relais is an ideal blend of tradition and luxury in the picturesque setting of the Tuscan countryside. Located in a secluded part of the region, guests will have the opportunity to enjoy an authentic experience and we can host up to 191 guests.

The property also offers a contemporary concept of hospitality due to its respect for the environment and the philosophy of eco - sustainability supported by Mr Ferruccio Ferragamo, owner of the Property, and his sons, Mr Salvatore Ferragamo and Vittoria Ferragamo.

The company's principles are clear – exclusive use of natural fertilizers and organic pesticides for cultivation of the vineyards, olive groves and honey, ethical and eco-sustainable cuisine, and the use of renewable energy for the Relais et Châteaux.

As part of the prestigious Relais et Châteaux collection, Il Borro is sensitive to numerous ethical visions of respect, humility and awareness of sustainability and renewal, such as zero-energy houses, solar panels and a biological garden which supplies our restaurants with organic products for our guests to enjoy.

I BORRIGIANI

YOUR FARMHOUSE STAY INSIDE IL BORRO TOSCANA

I Borrigiani is a farm consisting of 5 countryhouses that used to belong to the peasants of the area, they are located a short distance from the medieval village.

The history of the Borrigiani is deeply connected to the surrounding area. Possibly Etruscan, the Romans turned the area into a strategic lookout point on the **Roman road, via Cassia**.

The Borrigiani experience consists of being connected to nature and enjoying activities that vary throughout the season.

This is a private and independent type of accommodation, yet with the support of the main Reception of Il Borro Toscana, that can assist guests in organizing various activities and excursions to the estate and surroundings.

It is advisable to arrive by car or, if not possible, to rent one on site. All of the houses are fully equipped. I Borrigiani is not part of the Relais & Châteaux accommodations but services are available on request.

Total number of bedrooms 23 (one is a single room).

RECEPTION AREAS

VILLA IL BORRO – ITALIAN GARDEN, LOWER TERRACE & UPPER TERRACE

The Villa Il Borro represents the headquarter of the events; offering a beautiful Italian Garden where we often arrange the Cocktail Reception, and a **Lower Terrace** that is ideal for the main dinner reception. The upper terrace is available for bigger groups [up to 300 guests]

VILLA IL BORRO – GARDEN & SWIMMING POOL

The garden areas adjacent to the private pool set the scene for a perfect ceremony, brunch, BBQ or even rehearsal dinner.

MEDIEVAL VILLAGE SQUARE

Another suggestive location for hosting the events is the small square of the Village, where we arrange causal parties or a more refined cocktail reception with several food stations spread out in the tiny lanes of the Village.

AMPHITREATRE

Our covered amphitheatre, about 380 sqm, can be an optimal location for an after party with dancing. Please, be also advised that in Italy we have special restrictions about the termination time of the music outside, therefore the amphitheatre is ideal for late night events.
