THE CHOICE

Castello di Rossino is the only castle on Lake Como open to events, home to ceremonies with legal value.

Unlike other historic homes that lack green spaces and careful maintenance, we are specialists in organizing dynamic outdoor weddings that satisfy the need for 'relaxed luxury' ensuring success and thoughtless.

An elegant balance between history and nature that will amaze spouses and guests.

At **Castello di Rossino** it is possible to celebrate **civil and religious ceremonies with legal value**. These can be carried out on the **beautiful panoramic terrace overlooking Lake Como, a truly unique natural setting**.

After careful restoration, **Castello di Rossino** has become a space for modern and exclusive weddings.

Thanks to continuous and careful maintenance carried out by the family who still lives in the castle today, every wedding has the right frame for a high-level event to make the guests have an extraordinary experience.

One of the most important characteristics for a **dynamic wedding, is continuous movement ensuring no boring moments**. The large green

spaces and variety of rooms can be used freely by guests and can be used for different arrangements throughout the event.
