

Panoramic boat MEGA ROSPO

Mega Rospo is unique on Lake Como; thanks to its panoramic bow and two levels structure, passengers can move between decks, request a food&beverage service with music entertainment, and enjoy the beauty of the landscapes during the navigation.

Catering service

Thanks to its two levels, Mega Rospo can host a complete catering service on board: no better place where to arrange buffet style events or seated dinners up to 50 people. The bar station permits guests to think of the right solution to entertain the group while sailing, organizing sunset aperitifs and magical moments on the floating atmosphere of Lake Como. Mega Rospo is ideal for private and corporate events, birthdays and graduation parties, due to its big capacity and audio system – proper dj set available.

Not only simple transfers, but also customized tours: here you can find our best proposals to better enjoy the trip.
